REGULAR COUNCIL MEETING

AGENDA

September 19, 2017 – 7:00 P.M.

In Celebration of Canada 150, Ryerson Township presents *Minutes from the Past!*

September 12, 1885: A special meeting, called by the Reeve, was held this afternoon, to consider what is to be done in the case of Marshall v. Corporation of Ryerson, where James Marshall sues this Corporation for wrongfully seizing and selling a team of oxen, which he asserts was his property, the damages being laid at \$500, the case to be tried in the Court of Queen's bench.

Resolutions from the special meeting suggest that Ryerson Council believed that the case was unfounded and that the oxen were not worth \$100. Further, Ontario's Pounds Act, still in effect today, includes provisions for Municipalities to impound animals and ultimately to proceed with a sale if proper notice is given.
